## MY PROFILES

I am currently pursuing a Bachelor of Science in Computer Science with a CGPA of 9. I am developing my programming skills on the HackerRank website, and I have already mentioned my HackerRank ID.

## OBJECTIVE

I consider myself a responsible and orderly person. I am looking forward for my first work experience. I am a highly motivated and enthusiastic individual eager to embark on a promising career in your company.

## PROJECT

- cricket scorecard using python.

Generate a random number between 1 to 6. If the number is 5, it is counted as a wicket. For any other number, it is added to the score. The team player names are stored in a list, and access them by index order.

- calculator using HTML, CSS, JavaScript.
- student mark list using Excel
